Eclipses by Appointment

Current supplement: 917 systems

The complete supplement is published in four page-contiguous volumes.

The original illustrated catalogue and all 675 R reports are retained.

Each volume starts with a one-page guide.

Volume 1: Original A catalogue and R001-R216

Volume 2: Fixed magnitude comparison and R217-R409

Volume 3: R410-R539

Volume 4: R540-R675 and remaining reviewed evidence

For exact R-key locations, see supplement-review-pages.csv.

For verdicts and full reports, see scientific-review-register.csv.
